Installation instructions, Operations Instructions and/or Technical specifications included with the product and also found on MrSteam.com.

We are Steam. No one knows steam like MrSteam.

We've been perfecting the art of steam for more than 100 years, both in residential homes and high-end commercial spaces.

RESIDENTIAL

With MrSteam, homeowners can build comprehensive wellness into everyday routines with a simple upgrade to any bathroom using three easy steps outlined in this book – size (pages 10-11); select from our curated, cost-saving packages (page 17-25); and customize with Steam Therapies for scent, light and sound (pages 32-41).

COMMERCIAL

Our CX Systems are ideal for large venues, such as health clubs, resorts and larger spas. Our CT Day Spa is best for smaller spaces, boutique resorts and clubs that operate for six hours or less each day. For more information, see pages 63-67.

This comprehensive book will guide you through each product and package tailored to each unique need.

RESIDENTIAL

BRING WELLNESS HOME WITH NATURE'S OLDEST THERAPY

With over 100 years of steam experience, MrSteam has a legacy of reimagining how to help people **feel good and live well**. By supporting heart, lung and vascular wellness, steam **empowers** physically. By promoting relaxation and helping manage stress, it **purifies** emotionally. These benefits are why we stand behind our belief that wellness is not a luxury but a necessity. That's why each and every innovation we create is designed to deliver **comprehensive wellness** to every home. A traditional shower cleans, but a MrSteam steam shower cleanses — **mind, body and spirit**. As innovators of complete wellness, we are more than purveyors of steam. **Bringing wellbeing to life.**

Introducing SpaH2O

NEW

SPA20 Electronic Shower Valve

MrSteam's new Electronic Shower Valve makes choosing wellness even smarter.

The SPA20 electronic shower valve is a powerful innovation to help bring wellbeing to life. The iSteamX syncs perfectly with the new electronic shower valve which can be controlled straight from the iSteamX control, eliminating the need for separate controls.

SPA20 Electronic Shower Valve
Dimensions: 11" x 2.5" x 9.5"

SPA20 Electronic Shower Valve

\$2,000

PRODUCT DETAILS

- Easily pause and resume shower
- Auto shutoff and anti-scalding regulator
- Powerful and reliable safety alarms
- California regulation compliant
- Easily mounts directly to the wall
- Connect up to 3 shower fixtures
- Two outlets may be used at one time
- Flow Rate (at 45 PSI, free flow, mixed water)
 - Single outlet 1.1 gpm to 5.5 gpm
 - Two outlet 1.1 gpm to 7.4 gpm (total)
- SPA20 is intended to be used with fixtures marked for use with automatic compensating valves rated 2.2 GPM or higher flow rates.

SPA20 Shower Valve is controlled by the iSteamX
iSteamX sold separately

COMPLETE SHOWER CONTROL WITH A TOUCH OF A FINGER

At MrSteam, we believe wellness should be simple. With the iSteamX control, you can easily monitor and control the functionality of the SPA20 electronic shower valve. SPA20 & iSteamX, it's time for the ultimate shower experience.

Steam Generators.
The heart of our
intelligent steam
shower.

LIMITED LIFETIME WARRANTY

Free from defects in materials and craftsmanship for its lifetime. MrSteam will repair or replace (at its option) a generator which fails to conform to this warranty.

AUTOSTEAM

Maintains constant steam by introducing just the right amount of water through a proprietary dispersal chamber AutoSteam.

INSTALL UP TO 60 FT AWAY

Installs in areas such as a cabinet, closet, under a sealed bench or in an insulated attic.

SAFETY FIRST

60 minute automatic cut-off, low voltage board, designed for easy access and safe service.

STEAM IQ

Exclusive micro processor operating system is the brains of our intelligent steam generator.

ONE PLATFORM

All MS Generators work with all MrSteam Controls and with the SteamLinX Mobile App.

PLUG & PLAY STEAM SHOWER ACCESSORIES

Easily install spa therapy accessories or components such as AromaTherapy, ChromaTherapy, SteamLinX, and more.

UNMATCHED QUALITY AND CERTIFIED FOR SAFETY

US and Canadian UL listed, and CE and NOM certified for unsurpassed quality and safety

SELF-DIAGNOSTICS

LED indicators to help you troubleshoot any connection and maintenance challenges.

WHISPER QUIET

Our water solenoid technology ensures that the generator is whisper-quiet and never hammers or hums.

BUILT WITH SURGICAL STAINLESS STEEL

Naturally corrosion resistant, 100 percent recyclable stainless steel inside and out.

EASY ON THE ENVIRONMENT

Designed to save water and energy. Uses less than two gallons of water vs 40 gallons for an ordinary bath.

SMALL FOOTPRINT

Compact, easy to install, and about the size of a large briefcase. Requires zero clearance, so it can be placed flush against the wall.

INDUSTRIAL HEATING ELEMENT

Reliable, industrial grade, and the industries largest copper heating element heats fast and is easy to remove and service.

Find the perfect generator for your space with SmartSizing.

Start by choosing the control that lets you intuitively blend steam, scent, light and sound to create the customized experience you desire. Your control will manage temperature, time settings and personalized presets selected from an array of upscale designs crafted to match your bath decor preferences. Then, select from our curated spa packages that allow you to awaken a new world of wellness with easy, convenient ordering at a reduced cost.

NEED HELP?

Visit VirtualSpa.MrSteam.com to enter your room specifications and receive tailored recommendations to guide you through the creation of your custom steam shower system.

ONE — MEASURE

Measure length, width and height of the steam enclosure (in feet). **Length x Width x Height = Room Volume** _____

TWO — MATERIALS

Select your construction materials.

For **ceramic** or **porcelain tile** on cement board or mortar bed, no **adjustment**. _____

For **natural stones** — natural marble, stone, shale, glass block or concrete, **multiply room volume by 1.5**. _____

For **acrylic**, multiply room volume by **0.6**. _____

THREE — ROOM VOLUME

For rooms 8 feet high or less, no **adjustment**. _____

For ceilings higher than 8ft to 9ft **multiply adjusted room volume by 1.15**. _____

For ceilings higher than 9ft to 10ft max **multiply adjusted room volume by 1.3**. _____

Compare your total adjusted room volume to the **specification chart** (on page 11) and select the appropriate model.

Occasionally, a steam room has unforeseeable or hidden construction that warrants special sizing or other consideration. MrSteam is not responsible if unconventional and/or unforeseeable materials or construction details result in a unit that does not operate to specification. Refer to the applicable MrSteam Installation, Operation & Maintenance Manual, available at MrSteam.com, and consult a properly licensed contractor, architect and/or design professional. Failure to do so may result in inoperable or hazardous conditions.

1. Dimensions are for generator only, without AutoFlush® or plumbing features.
2. C1 after model number denotes a 240V/1PH generator.
3. B1 after model number denotes a 208/single phase generator.
4. Wire size (AWG) based on minimum 90° rated THHN copper conductors. Refer to the National Electrical Code for other types of conductors.
5. Water usage based on 20 minutes of operation.
6. Shipping weight is for generator only, without control or SteamHead. *Other voltage and phase combinations available upon request.

OPTIONAL GENERATOR FEATURE

Express Steam® \$375

- Starts steam in a fraction of the time
- Maintains temperature just under boiling point
- Suitable for all MrSteam Residential steam generators
- To order, add an "X" after the generator model number

Select your ideal control and package.

Start by choosing the control that lets you intuitively blend steam, scent, sound, and water to create the customized experience you desire. Your control will manage temperature, time settings and personalized presets selected from an array of upscale designs crafted to match your bath decor preferences. Then, select from our curated spa packages that allow you to awaken a new world of wellness with easy, convenient ordering at a reduced cost.

Customize a multisensory escape.

COMPOSE YOUR PERSONALIZED THERAPY SYSTEMS

As part of our steam shower legacy, we've created unique therapies that complement the vital properties of steam to **empower, purify and rejuvenate**. Create a customized symphony of **scent, light and sound** for the ultimate multisensory wellness experience. Our AromaTherapies infuse aromatic oils and botanical fragrances for a true **therapeutic oasis**. ChromaTherapy harnesses the power of science and color to create a space reflective of your mood. MusicTherapy is an auditory journey to a state of **complete relaxation**. Choose from a full range of therapies to personalize and elevate your steam shower into an unforgettable transformative sensory experience.

AROMATHERAPY

Aromatherapy was mankind's first remedy, a practice of caring for the body guided by one of our primary senses, scent. Adding AromaTherapy to any steam experience allows you to achieve a higher state of relaxation overall and enhances the unique properties of each botanical infusion, providing new pathways to activate the mind and care for the body.

AromaFlo System

Fragrance Metering Pump

\$1,500

- MS AROMA

PRODUCT DETAILS

By merging fragrance and steam into a beautiful mix, the AromaSteam system metering pump atomizes the fragrance and creates the perfect in-steam AromaTherapy experience. MrSteam's specially formulated fragrances use ingredients extracted from flowers and plants. Each aromatic fragrance offers a distinct aroma with characteristics that may support the body's specific needs.

- The collection of MrSteam essential aroma fragrances are available in replaceable, long-lasting 1-liter (33 oz.) bottles
- Integral Stainless Steel Fragrance Bottle Caddy

*Aroma Fragrance not included. Order separately.

HISTORY OF AROMATHERAPY

The Eastern spiritual practice of aromatherapy has been recognized for centuries as having potentially profound wellness effects. Similar to the power of yoga and meditation, essential oils can help awaken and stimulate, or relax and promote better sleep. According to Indian beliefs, the seven basic chakras are the centers in our bodies through which energy flows. Because the chakras are closely connected to the endocrine system, using essential oils can help stimulate energy flow and restore balance.

MUSIC THERAPY

Music's power is undeniable. It can soothe the soul, signal a celebration or lull us into peaceful sleep. MrSteam has paired the transformative emotional, physical and cognitive powers of music with the healthful benefits of steam, inviting steam bathers to personalize their pursuit of a calming state.

Failure to install any MrSteam product according to the applicable installation manual may result in property damage or an unsafe condition.

CHROMATHERAPY

Like water and heat, light is a fundamental source of energy capable of altering physical and mental states. The many colors of light are transformative, from the calming tones of the sea and sky to the energizing vibrancy of natural flora. With our range of ChromaTherapy innovations, color and light transport you to a better state of being.

STEAM ROOM

COMMERCIAL

LED BY LEGACY

Offering **robust functionality** and **unbeatable reliability**, MrSteam CX commercial steam systems and CT Day Spa® steam baths are engineered to master the rigors of commercial use and **consistently deliver excellence** for businesses looking to round out service offerings and add membership appeal. With a wide variety of proven benefits, steam baths provide the perfect immersive recovery environment for every guest and give your business a **distinguishing edge** with health-minded clientele. Known for centuries to revitalize the mind, body and spirit, steam encapsulates the essence of complete wellness in any club therapy setting and is sure to become a **memorable experience** for your clients. With low maintenance and high performance, create an effortless escape for your guests backed by 100 years of the MrSteam legacy.

Experience next generation industry-leading steam systems.

FOR HOTELS, RESORTS, SPAS AND CLUBS

The pedigree and engineering behind our products is why we've earned the trust of many prestigious health facilities. MrSteam CX Series generators are engineered to respond automatically and reliably, maintaining preset temperatures within the steam room and providing consistent performance. Manufactured to exacting standards, steam bathers receive a peaceful escape, while owners and operators remain worry-free with MrSteam's unbeatable quality.

EXPERIENCE MRSTEAM IN THESE PRESTIGIOUS LOCATIONS

We encourage you to try us out. See the many major resorts, athletic franchises and popular health facilities that have harnessed the power of steam to enhance their guests' wellness experience. Easily locate one near you at [MrSteam.com/Heavy-Duty-Commercial](https://www.MrSteam.com/Heavy-Duty-Commercial).

CANYONRANCH.
The Power of Possibility.

EQUINOX

C NEXT GENERATION POWER

Now, big things come in an impeccably designed, thoughtfully engineered, compact and concise unit.

The CX GENERATOR is innovation in action. Like computing that once took up an entire room and can now be held in your hand, the CX is pure brawn in a small package; engineered for peak performance.

CX GENERATOR SYSTEM

INCLUDES:

- CX GENERATOR
- CX CONTROL
- FACTORY INSTALLED AUTOFLUSH
- COMMERCIAL GRADE STEAM HEAD
- CONDENSATION PAN

QUIETER POWER

The CX Generator is an atmospheric generator that is quieter than a pressurized system. CX also has an internal temperature shut off to prevent low water condition, and an integral high water cut-off feature.

TOUCH-SCREEN CONTROL

The CX generator interface is programmed to preheat steam room at the start of each day. During operation the water in the system is kept at an elevated temperature for fast steaming time.

EASIER INSTALLATION

The compact size offers designers, builders, and contractors more flexibility with room design and straightforward installation, making large equipment rooms traditionally built to house auxiliary pressure and mechanical systems no longer a necessity.

CX GENERATOR PACKAGES

CX Generator Packages now include a CX Generator, CX Control, CX SteamHead, factory installed AutoFlush, Commercial Grade SteamHead, and Condensation Pan.

Premium performance for day spas and resorts.

DAY SPAS, MEDICAL SPAS, BOUTIQUE RESORTS AND CLUBS

Even small spaces can be transformed into steam rooms. Compactly designed for performance, longevity and durability, MrSteam CT steam generators combine safety and aesthetics with reliability.

CT STEAM GENERATORS

Designed for steam rooms operating for six hours or less each day that do not exceed 482 cubic feet and ideal for up to two guests at a time.

- Easily installed in most service closets, storage areas or similar dry, heated location
- Ideal for smaller day spas or resorts that may not have the space or need for a larger, multiple-user steam room requiring CU equipment
- Constructed of 100% recyclable stainless steel inside and out

The CT Day Spa® package includes everything an owner/operator needs for optimum control and superior performance, while also providing guests with an enhanced therapeutic experience.

CT Day Spa® Package

The CT Day Spa steam system is ideal for light commercial venues such as day spas and resort spas. Featuring iTempoPlus®, the owner/operator can control and customize each user's steam bathing experience. Plus, with the inclusion of the Acrylic Steam Shield and CT-Steam Stop, this package gives you everything you need to be operational once installed.

CT Day Spa is equipped with Express Steam® and has the MSTs.

All CT generators come in 240V/1PH standard; other voltages/phases available.

1. Wire size (AWG) based on minimum 90°C THHN insulation for copper conductors.

2. Water usage based on 20-minute steam bathing session.

All MrSteam CT units are cULus Listed and CE approved. Refer to PUR 100426 Installation Manual for dimensions and installation instructions.

Occasionally, a steam room has unforeseeable or hidden construction that warrants special sizing or other consideration. MrSteam is not responsible if unconventional and/or unforeseeable materials or construction details result in a unit that does not operate to specification. Refer to the applicable MrSteam Installation, Operation & Maintenance Manual, available at MrSteam.com, and consult a properly licensed contractor, architect and/or design professional. Failure to do so may result in an inoperable or hazardous condition. See product packaging and labeling for additional important information.

Enhance every client experience.

CT DAY SPA® ACCESSORIES

From fragrances to sound and light, you can easily provide clients with a memorable multisensory experience that heals the body, eases the mind and awakens the spirit, thanks to our unique wellness therapies and luxurious accessories.
